

*Get the warmth and beauty of real cedar with generations of good looks guaranteed. Cedar Discovery's hand-tooled cedar shingles in hand-split shakes add nature's influence to your home's exterior.*

Shakes have a staggered edge design and rich cedar texture that resembles hand-split cedar shingles. Used all over your home or as a decorative accent, they add a unique flair to a variety of architectural styles.

#### **Tornado-Tough Nail Hem<sup>®</sup>**

Cedar Discovery features a stable, strong anchoring surface, capable of withstanding tornado-strength winds.

#### **C-Lok<sup>™</sup> Continuous Locking System**

The C-Lok System provides twice as much locking coverage as traditional systems.

#### **Full-Panel Side Lock**

Virtually error proof full-panel side locks go hand-in-groove with the C-Lok<sup>™</sup> System for secure installation.

#### **Hand-Installed Random Groove Look**

Delivers the authentic look of hand-installed cedar shingles with a random pattern of deep, varying-width grooves.
