

## QUICK RELIEF FROM THE COMMON LEAF

**Leaf Relief™** brings real relief to homeowners who need a gutter solution that works...first time, every time.

The patented design of **Leaf Relief** allows water to flow freely while leaves, pine needles, seeds and other natural debris are lifted away with only a gentle breeze.

And **Leaf Relief** installs easily on any gutter, new or existing, with a simple, snug fit that's perfect every time. Plus it never requires lifting a shingle!

Technology makes it work.  
Alcoa Home Exterior makes it risk-free with our worldwide reputation and 10-year warranty\*.
